The City of SeaTac has completed the design of pedestrian improvements along the east side of 42nd Avenue South between S 176th Street and S 188th Street. This project will improve pedestrian safety and mobility for residents and students of the schools in the neighborhood. The work includes construction of curbs, sidewalks, and drainage improvements.

Drop-in anytime during the Open House and City staff will answer questions you may have about the project. No formal presentation will be made. If you are unable to attend, information shown at the Open House will be available from the City website after January 7th; or you may contact the project manager anytime at the telephone number, email, or address shown below.

Project Budget

The 42nd Ave S sidewalk project is funded by City of SeaTac capital improvement funds. Property owners will not be assessed for the cost of this project.
