Camp Staff

In order to provide a safe and positive experience for your child, the entire CAMPS program staff is certified in First Aid and CPR. A Washington State Patrol Background check will be done on each camp leader, prior to their employment with the city. Staff also spends considerable time in training prior to the start of camp. Training covers staff expectations, city policies, discipline, parent communication and Defensive Driving Training.

Camp Organization

TnT Camp participants will have the opportunity to plan some of their own activities under the supervision of the TnT Camp staff. Most activities and field trips have been pre-planned. TnT activities include arts and crafts, games, planning and running special events for the day camp, volunteer opportunities, field trips, outdoor activities, swimming and much more. The Recreation Program Specialist will approve all activities and trips.

Lunch/Snack

Campers will be provided with a sack lunch from the Des Moines Area Food Bank. In addition, Campers can choose to bring a sack lunch and beverage (non-glass container) each day. Fully disposable lunch containers are required for all field trips. Microwave use is not available to TnT Camp participants. Campers will be served an afternoon snack daily. It is highly advisable for each TnT Camp participant to bring a water bottle for use throughout the day.

What to Bring and Wear

- Campers should come to camp in comfortable clothes and closed toe shoes (preferably tennis shoes).
- Camp participants should bring extra clothes suitable for a change in weather, e.g., jackets, shorts, sweatshirts, etc. A swimsuit and towel is recommended every day to allow for adjusting schedules and changes in the weather.
- Campers should bring a large sack or backpack with their name on it to hold camp belongings each day.
- Please bring sunscreen each day to insure adequate protection from the sun. *Camp staff is not allowed to administer sunscreen.*

Things to Consider

- Please do not allow campers to bring valuables to camp unless special arrangements have been made with the camp staff. Our facilities and staff will not be held responsible for items that become lost, broken, or stolen.
- On rainy days, TnT Camp may go to see a movie. TnT Camp sees movies approved by the Recreation Specialist and may be G, PG, or PG-13.
- Music with explicit lyrics will not be tolerated at camp. The privilege of bringing your own music will be lost if participants choose to ignore this guideline.
- Clothing left at camp will be placed in the "lost and found" at the Valley Ridge Community Center. Unclaimed items will be donated to a charitable organization.

Check-in/Check-out Procedures

Each TnT Camp participant will be required to be signed in and out each day they attend camp by an authorized adult. A check-in/check-out sheet will be distributed and monitored by staff.

Illness

Campers not well enough to follow the day's routine (including outside activities) and campers with any contagious disease must not attend camp. This includes, but is not limited to campers with the following symptoms or illness:

- Fever • Sore Throat • Active Rash
- Discharging eyes • Nausea
- Lice • Stomach Pain/Diarrhea • Chicken Pox

If Campers become ill during TnT Camp, a parent/guardian will be notified and asked to pick up their camper. Parents should establish an alternate plan if they are unable to pick up a sick child or if they cannot be reached by telephone during the workday.

Reporting Absences

Please notify SeaTac Parks, Community Programs & Services at (206) 973-4680 as soon as you know your camper will not be in attendance for the day.

Contacting Your TnT Camper while at Camp

If you have an emergency situation and need to speak with your camper immediately, please call Nicole at (206) 973-4680. If they are unavailable, leave your name and a contact phone number with the community center staff member. If the TnT Camp is away from the community center it may take up to fifteen minutes for you to be contacted.

Please limit your use of this service to emergency situations only.

Administration of Medicine

Any prescription medication to be administered to a camper while at our facility must be accompanied by written approval of a parent and a physician. In addition, a medication policy form must be filled out prior to medication being dispensed. All medications must be in the original container with the camper's full name, date of purchase, and correct dosage. A written medication instruction form is required from the pharmacist. Non-prescription medication will be administered, if the medication policy form is filled out, for one day only without written authorization from a physician. The staff will keep all medication. It is the responsibility of the parent/guardian to make sure that we have sufficient medication for the day(s) your child will be in camp.

Injuries

Staff will treat all minor injuries. If staff determines that the campers should receive professional medical treatment, parent/guardian will be notified immediately.

Emergency Procedures

In case of serious illness or injury the following procedures will be used:

1. Administer First Aid/CPR
2. Contact 911
3. Contact parent/guardian or emergency contact
4. Transport to nearest hospital (if necessary)
5. File accident/medical report

- Matches
- Music with explicit lyrics

- Fireworks
- Weapons (or items resembling weapons)

Clothing

1. Leave valuable items including clothing, jewelry, cameras, make-up, and money at home. Spending money may be optional on some field trips. TnT Camp staff will not be responsible for lost, stolen or damaged items.
2. Clothing and other items left at camp will be placed in the “lost and found” and taken to the Salvation Army at the end of camp, if unclaimed.
3. Clothing that displays alcohol, tobacco, sexually explicit material or anything that staff considers objectionable will not be allowed at camp.
4. Pants should not be “sagging” below the waistline.

Discipline Policy

1. Reasoning: Communication between campers and staff where problems/solutions are identified.
2. Time away from group: The removal of the camper from a specific activity for a short period of time, up to 15 minutes. Staff will discuss situation and resolve problem with individual(s).
3. Parent/Camper/Staff conference with a further detailed Behavior Contract.
4. Probation Period: Possible suspension from program.
5. Dismissal from program

These steps are taken in order to provide a safe environment. In the case of a serious violation, one or more of the above steps may be skipped. It is our goal to help each camper develop self-control and respect for others.

If you have any questions or concerns regarding this system, please contact Nicole. Misbehavior on field trips may result in your camper not being permitted to attend the next scheduled field trip. Campers may be immediately dismissed if behavior threatens the safety of themselves, fellow campers, or staff.

If while on a field trip a TnT Camp member is engaged in an illegal activity, the parent/guardian will be notified and required to pick-up their teen immediately, either at the Valley Ridge Community Center or at the location of the incident. This will be decided at the discretion of the staff. The rest of the camp will return to the Valley Ridge Community Center as needed.

TnT Camp Guidelines

TnT Campers and parents are required to read the following guidelines. SeaTac Parks, Community Programs and Services wants all campers to have a positive experience at camp this summer. A thorough review and understanding of these guidelines is key to making this happen. After reviewing these rules, please read and sign the included Parent/Camper Contract. Please bring this form with you on your first day of camp.

General

1. Bring a positive attitude and the willingness to “try” each time you come to camp.
2. Campers must be respectful of the camp staff, other campers, and the facility at all times. Abusive language, profanity, and teasing will not be tolerated.

Once on-site, campers will not be allowed to leave the program until signed out by authorized adult, unless prior arrangements have been made with parents or guardians. Permission to leave the program must be in writing and signed by the parent/guardian. A follow up call to verify planned absence/early dismissal will be made to parent/guardian.
2. No camper will be allowed to attend camp until all required signature forms are completed and returned to SeaTac Parks & Recreation staff. In addition, payments are due in full by the Monday prior to the start of camp. Late or non-payment will result in dismissal from the program.
