

SeaTac's 2015 Good Neighbor Award

Do you have a neighbor who goes the extra mile and makes noteworthy contributions to improve the quality of life of those on your street, in your neighborhood, or for the community? The Good Neighbor Award gives you the opportunity to recognize other individuals for their acts of good will and call attention in a positive way to the benefits of being a good neighbor.

Your special neighbor can be any age or background; he or she may be a youth, a teenager, a longtime resident, a recent immigrant, a senior citizen or business that makes a positive difference in your neighborhood. For example, a person may voluntarily mow the lawn for someone ill or elderly; or may help in planning or volunteering at neighborhood clean-ups or block parties; someone who helps you out in a crisis or checks on neighbors regularly to make sure they are safe; the person that brings their property into code compliance or the person that helps a neighbor with getting their property into compliance. Whether known by everyone or an unsung hero, your good neighbor is a person who does special things to make your neighborhood a better place.

To nominate an individual/group for the award, please complete the nomination form and attach a description of why you believe that person(s) exemplifies the qualities of a good neighbor.

Nominee requirements:

- Be a resident or work in the City of SeaTac.
- May not be employed by the City of SeaTac.
- Nominated activity may not be part of any paid employment.
- Nomination must be to honor someone who makes a positive contribution at the neighborhood level without seeking recognition for their services.
- The 2015 Good Neighbor Award is restricted to actions for January 2014 through July 2015.
- Nominated activity may not be for previously recognized Fire or Police Recognition Awards for lifesaving.

The recognition program will have one Good Neighbor Award and three honorable mentions, with the announcement being made at the SeaTac International Festival held at Angle Lake September 12-13. All nominations will be recognized on the City website. Both nominator and nominee for the 2015 Good Neighbor Award and the three honorable mentions will be notified by September 4, 2015.
