

# Veteran's Memorial

## COMMUNITY MEETING

Wednesday, July 17, 2019 • 6-7:30 PM

SeaTac Community Center (13735 24th Ave. S., SeaTac)

This veteran's memorial will pay tribute to men and women military veterans of the past and present for their service. The memorial will incorporate engraved bricks as a lasting way to remember our loved ones who have passed away, been killed in the line of duty, or who currently serve our country.

John Barker, Landscape Architect from Forrest Gardens, LLC will provide conceptual design concepts to share with the community. The project will be completed by Veteran's Day on November 11, 2019 for a ribbon cutting ceremony. In addition, we will share information about the memorial bricks that will be available for community members to purchase to honor their loved ones and will have examples of the memorial bricks for you to view.

### Meeting Objectives

- Give the community an opportunity to review the designs.
- Receive community input.
- Allow the community to learn more about the project.
- Review estimated timeline.
- Fundraising efforts
