Subject: Firs MHP Rezone: Determination of Incompleteness

All:

City staff has reviewed the application materials submitted on August 15, 2023 for the Firs MHP Rezone located at 20446 International Boulevard and has determined the application to be incomplete for processing. The comments listed below must be addressed before the application can be determined complete. Once all comments have been addressed, please submit the materials through the online portal. Partial resubmittals will not be accepted.

Planning Division, Dennis Hartwick (206-973-4837)

Please update the SEPA Checklist as follows:

1. For #11, describe the rezone portion of the proposal and not just the future development.
2. The response "N/A" is not acceptable for questions regarding site conditions or that can be answered specific to the rezone (e.g. change in capacity between the zones).

If you have any questions concerning the above information, please contact me at 206-973-4837 or dhartwick@seatacwa.gov.

Sincerely,

Dennis Hartwick, *Senior Planner*
