

**City of SeaTac 2025 Stormwater Management
(SWM) Fee Rebate Application
(Page 1 of 2)**

Pursuant to SeaTac Municipal Code (SMC):

- **SMC 12.10.225.E**, *Nonresidential parcels upon which are located one (1) or more retention/detention/infiltration facility, or equivalent, designed, engineered, and maintained to the standards of the King County Surface Water Design Manual (KCSWDM) shall be entitled, upon application, to a rebate equal to twenty-five percent (25%) of the surface water management fee which would be applicable to the acreage served by each facility multiplied by the surface water management fee applicable to that acreage.*

Application for rebates shall be submitted by October 31, 2025, and shall include documentation that the “drainage facility” has been maintained in accordance with the requirements described in the KCSWDM, Appendix A. This may in part include invoices for cleaning and maintenance from third-party contractors. Eligibility also requires that 2025 surface water charges have been paid in full (collected with your property taxes by the King County Assessor).

When applicable, the city will perform a quality control inspection to evaluate whether proper maintenance has been performed. For required maintenance, please refer to the following link:
